Climate

The privileged situation [1] of our vineyards, enjoys excellent weather conditions for the cultivation of the vine.
The total annual hours of sunshine that we can count on, as well as the remarkable changes in temperature between day and night, **make the heart of our wines develop a better and more uniform maturity.**

Climate:	Mediterranean temperature with continental feature
Altitude:	670 meters
Average annual temperature:	12°C - 16°C
Mean annual precipitation:	400 a 600 mm
Average annual hours of sunshine:	2800 hours
